

QUALIFIED EXPENSES

You can use your HSA for out-of-pocket expenses that would generally qualify for the medical, dental, and vision income tax reduction.

Some qualified expenses include:

- Deductibles
- Office visits
- Prescription Drugs
- Hospital Stays and lab work
- Speech / occupational / physical therapists
- Dental care
- Vision care
- COBRA premiums
- Long-term care insurance

**For a full list of qualified expenses, visit:
